**Subject:** Press release for Columbia Falls Aluminum Co. Plant

Hi, Jeni.

Attached is our latest draft press release for the Federal Register notice on the proposed NPL listing for the Columbia Falls Aluminum Co. Plant. We may tweak it a bit, and we will need to add the date of the notice, but it is pretty close to being final. We hope to send this out Tuesday, Wednesday or Thursday next week, depending on when our headquarters office issues their PR for all the notices nationally. We will keep you posted.

Please let me know if you have any questions or need more information.
